Other Performance Classes

MHCGB performance classes, which include Halter Obstacle, Jumper, Hunter Jumper, Dressage (In-hand, Long Reined, Driven), Puissance and Liberty are open to any equine eligible to be over stamped by or hold a passport issued by the Miniature Horse Club of Great Britain.

General Rules

All exhibitors are to wear gloves and suitable footwear.

All junior exhibitors (16 years and under) are to wear an approved British Standard hardhat.

Any exhibitor displaying inappropriate or rough handling of any horse in any discipline will be eliminated at the judge's discretion.

The judge's decision is final.

There will be no requirement for the horses to be let off their lead in either Novice or Open sections.

Equipment required

American performance halter or normal head collar, a lead rein between 8ft and 12ft long, a normal bitted bridle or a bitless bridle, roller and long reins. A dressage whip is permitted in the dressage section should you wish to carry one.

Halter Obstacle

The obstacles will be set for the season and differ in difficulty between the Novice and Open classes.

All horses should be worked in an American performance halter / head collar with NO BIT and on a lead between 8 and 12 feet long. The handler is not allowed to carry a whip of any sort.

The judge will mark the horse and handler on the following at each obstacle:

- 1) Calmness of Horse
- 2) Completion of Obstacle

A maximum of 10 points per obstacle can be gained.

There will also be a mark out of 20 given for Competence of Handler throughout the course.

Maximum time per obstacle is 60 seconds, horses are then asked to advance to the next obstacle – You should only move onto the next obstacle after either completion of the previous obstacle or with the judge's permission. Abandoning an incomplete obstacle without the judge's approval will result in a zero score for that obstacle.

Jumper

Courses will have between 6 and 8 jumps.

A course is considered set once a horse has started the course.

Novice classes will be set no higher than 18 inches in the first round.

Open classes will be between 18 and 28 inches in the first round.

Jumps will increase between 1 and 6 inches per round.

After reaching maximum height (44 inches), clear competitors keep jumping until tie is broken – this may be over a shorter course.

Horse can compete in either a bitted bridle or an American performance halter / head collar. The handler is not allowed to carry a whip of any sort.

Refusals, circling or path crossing will incur a 3 point penalty per occurrence and knock downs will incur a 4 point penalty per fault.

An "In" & "Out" is two jumps (if they refuse the second fence, they cannot jump the first one again).

A course is considered set once a horse has started the course.

Elimination:

3 Refusals. Off course. Baiting. Chain over nose or in mouth. Failure to pass between start and finish cones. Loss of control. Carrying a whip.

Hunter Jumper

Courses will have between 6 and 8 jumps.

A course is considered set once a horse has started the course.

Novice classes will be set no higher than 18 inches.

Open classes will be between 18 and 24 inches.

An "In" & "Out" is one jump (if they refuse the second fence, they must jump the first one again).

Course is only covered once by each animal; they are then required to do a trot past for the judge to consider movement and soundness. The horse's performance is then scored out of 100:

- **90 - 100** - an excellent performer and good mover that jumps the entire course with cadence, balance and style
- **80 - 89** - a good performer that jumps all fences reasonably well or an excellent performer that commits one or two minor faults
- **70 - 79** - average fair mover that makes no serious faults but lacks the style, cadence & good balance of the scopier horses or good performer that makes a few minor faults

- **60 - 69** - poor movers that make minor mistakes or fair to average movers that have one or two poor fences but no major faults or disobediences
- **50 - 59** - a horse that commits one major fault such as a hind knockdown, refusal, break of gait, cross-canter or drops a leg
- **30 - 49** - a horse that commits two or more major faults, including front knockdowns, refusals, or jumps in a manner that otherwise endangers the horse and/or handler
- **10 - 29** - a horse that avoids elimination but jumps in such an unsafe and dangerous manner so achieves a minimal score

Elimination:

3 refusals. Off course. Crossing own path. Baiting. Chain over nose or in mouth. Unsound horse. Failure to pass between start and finish cones. Loss of control. Carrying a whip.

Dressage

The set tests for 2019 are available under the Performance Section of the club website – www.MHCGB.co.uk .

The Novice test can either be performed in-hand with the handler working at the horse's shoulder holding a single lead or on the long reins.

The Open test must be done on the long reins.

Novice competitors can have a caller; Open competitors will be expected to learn the test.

All horses should be in a bridle (bit-less bridles are permitted, head collars ARE NOT a bit-less bridle). In-hand novice competitors require a single lead; all long reined competitors must be in a roller and long reins. Cruppers are allowed; Overchecks / Sidechecks are not. The handler may carry a dressage whip.

In-hand / Long reined test judging will take place as per a ridden competition.

For Driven Dressage, you may have a caller. Horses should be in a suitable cart for their style of driving.

Drivers must have insurance, a copy of which must be sent with entries.

Puissance

A single jump which will increase in height with every round.

Elimination - refusal or knockdown.

If you go clear, you go through to the next round.

Handler must not go over the jump.

If on the final round there are only two competitors - one knocks down and one refuses, the knock down will place higher than the refusal.

Please note

**ALL AMHA performance classes will run under AMHA rules.
Please ensure you read the relevant section of the AMHA rule book.**

THE PERFORMANCE TRIO

The equine must be over 3 years old or over to take part due to the jumping aspect.

Over the course of the 2019 season, the three disciplines will be provided at multiple MHCGB area shows and also at the two national shows (jum[ing, halter obstacle & dressage).

You can take part at as many shows as you like, but you must compete at a minimum of three shows - one of which MUST be the Grand Championships Show in August - to qualify for a chance of achieving the prestigious title

THE ULTIMATE PERFORMANCE TRIO HORSE AND HANDLER SUPREME.

All three events must be completed at a show for that show's placings to count.

1st place will gain 10points, 2nd 8points, 3rd 6points, 4th 4points, 5th 2points and 6th 1point. (Points are awarded on a horse / handler combination)

You can compete in either the Novice or Open section for the season. You only need to move into the Open section if you have been crowned Novice Performance Trio Champion at a past MHCGB National Championship Show, or if you choose to move into the Open section. Once you have moved into Open you should no longer compete in the Novice classes. A maximum of three shows from across the year will give the final totals. It needs to be the same horse / handler combination for the whole season. You can compete multiple animals if you wish.

NEW for 2019

If four or more Junior (16yrs or under) competitors compete at a minimum of three shows - one of which MUST be the Grand Championships Show in August - then we will add an extra award to the highest place Junior Trio competitor.

Equipment required: American performance halter or normal head collar, a lead rein between 8ft and 12ft long, a normal bitted bridle or bit-less bridle, roller and long reins. A dressage whip is permitted in the dressage section should you wish to carry one.

All exhibitors are to wear gloves and suitable footwear. All junior exhibitors (16 years and under) are to wear an approved British Standard hardhat

No horse will be judged on conformation

Any exhibitor displaying inappropriate or rough handling of any horse in any discipline will be eliminated at the judge's discretion

The judge's decision is final

There will be no requirement for the horses to be let off their lead in either Novice or Open sections.

**Please note: All classes will be judged MHCGB style,
with the exception of the AMHA.**
