Novice – Navigate the floor maze in a forward-facing direction at a walk.

Open – Navigate the floor maze in a forward-facing direction at a collected trot.

Ride the Turtle Tide (stepping stones)

Novice – With the horse in your LEFT hand, walk the horse along the side of the stepping stones while the handler walks over the stepping stones (stepping stones in a straight line).

Open – Enter your horse into the centre of the stepping stone circle. Once their hind legs are central, the handler walks a full circle anticlockwise on the stepping stones, asking the horse to perform a turn on the haunches.

Shipwreck (seesaw)

Novice – Walk over the seesaw, ensuring all four hooves make contact and the horse remains calm. Jumping off will lose marks.

Open – Walk over the seesaw, ensuring all four hooves make contact and the horse remains calm. Upon exit the horse is to halt on the tarpaulin, then exit via a side pass to the right. Jumping off the seesaw will lose marks.

Plastic Pollution (crushed plastic bottles)

Novice – Horse to walk calmly through the collection of crushed plastic bottles.

Open – Horse to enter the pit, halt for a count of 5 then continue in walk to exit the ball pit.

Mermaid's Waterfall (rug and umbrella with waterfall)

Novice – Place the waterproof rug onto the horse, put up the umbrella. Walk carrying the umbrella towards the second marker in a straight line under the waterfall. The waterfall will release a small volume of water as you pass under.

Open – Place the waterproof rug onto the horse, put up the umbrella. Walk carrying the umbrella towards the second marker in a straight line under the waterfall. The waterfall will be flowing on your approach and as you pass under.

Ollie Octopus (jump)

Novice – a small jump (approx. 6inch high).

Open – a larger jump (approx. 12inch high).

Shoal of Fish (shower curtain and bending)

Novice – at a walk, weave around the cones ensuring to also pass through the curtain set at half way (not all strips of the curtain will be loose).

Open – at a trot, weave around the cones, passing through the fully draped curtain.

Coral Reef (soft surface)
