## Open Halter Obstacle Course

1 – Water tray. Walk over tray calmly. Will contain water and rubber ducks.

2 – S-bend. Follow the bend of the poles in a backward direction (rein back), making accurate turns.

3 – Seesaw. Walk over the seesaw.

4 – Hula Hoop. Stand horse with front hooves in hoop. Lift hoop up over the head, along the body, over bum and place on the floor around the back hooves. Lift hoop again and bring back over the bum, along the body over the head and place back on the floor around the front hooves. Step horse out of the hoop.

5 – Stand and Wait. Stand horse with two front hooves in centre area on board. Keeping hold of your lead, step back so that your feet are between the markers. Count to 5 then go to collect the horse.

6 – Bridge. Walk over the bridge. Once clear, halt and then rein back onto the bridge until all four hooves are back on the bridge. Halt, then walk forward again to exit the bridge.

7 – Side Pass. Stand your horse facing the bridge, side pass to the edge of the ring keeping the soft pole between the front and back hooves. Rein back once over the first side pass pole until level with second pole, and then side pass in the opposite direction.

8 – Pedestal. Ask the horse to step two front feet onto the pedestal. Horse to the raise one hoof while handler salutes the judge; once done back the horse off the pedestal.
